

During the course of its search for documents in response to your 8 October 1984 Freedom of Information Act (FOIA) request concerning several subjects, the Department of State located two documents originated by this agency. These were referred to us for our review and direct response to you. We have examined the documents—dated 29 April 1982 and 21 July 1983—and determined that both can be released to you in their entirety. Enclosed are copies. We apologize for the length of time it has taken us to complete the processing of your request, but we have been inundated by a large number of requests over the past several years. Under the circumstances, we have done our best to be fair to all of our requesters. Thus, we established some years ago the policy of first-received, first-answered. Thank you for your patience and consideration while we were processing this referral. Sincerely, Information and Privacy Coordinator
